Wide Cool DYNAMIC - Series Commercial Water Cooler

Wide Cool Refrigeration proudly announces the '**Energy Efficient Sturdy Water Cooler**' that will address your every application quick cooling, reliable, durable, and easy to operate and energy efficient.

Water coolers are designed to withstand in any climatic conditions to provide better cooling at low energy consumption. It is totally made of *Stainless steel 304* grade for long life and better water quality. It is easy to operate and maintain.

Description	WCSSD20	WCSSD50	WCSSD80	WCSSD100	WCSSD150	WCSSD200	WCSSD300	WCSSD500
Cooling Capacity (Glasses/Hr)	100	250	400	500	750	1000	1500	2500
Height (Inch) H	37	48	51	51	51	55	55	55
Width (Inch) W	18	22	24	28	38	42	50	50
Depth (Inch) D	17	20	23.5	23.5	23.5	29	29	36
Faucets	1	2	3	3	3	4	4	4
Condenser	Having grooved Copper pipes and aluminum fins							
Compressor	Emerson Copeland reciprocating type							
Refrigerant	R 134a	R 134a	R 22	R 22	R 22	R 22	R 22	R 22
Fan Motor	EBM Papst/Elco/AUE fan motor/Marathons/							
PUF Thickness	68-75 mm							
Material	S.S-304 { 24 SWG Body , 24 SWG Tank }							
Power Supply	230 V / 1 \emptyset / 50 Hz							
Temperature	12°C to 20° C.							

[*Specifications are under standard test conditions. *Specification and features are subject to change without prior notice, due to continuous Product development. *The actual unit picture may not match the unit picture shown in catalogue. Designs as per standard IS 1475-1]

WORLD CLASS FEATURES

- Tropicalized for Indian ambient condition
- Forced draft Grooved condenser with fan
- Copper Tube evaporator
- CFC-free Eco friendly Refrigerant
- Thicker PUF Insulation for better holding temperature
- Highly energy efficient units due to better condensing capacity
- Mechanical dial dual temperature controller
- Stylish and attractive look
- Low power consumption
- Easy Control
- Seam welded stainless steel tank
- Sturdy Stainless Steel leg
- Strong Drainage Tray
- Welded body assembly
- Speedy Drainage
- Sediment filter—18" Size

APPLICATIONS

Restaurants, Temples, Schools and colleges, Canteens, Company and organizations, Hospitals, Industries, Public Places- Railway Stations, Bus Stations, Airports, Shopping Centers, Theatres.
